

RACQ CareFlight

ENDURO LOOPS

REGISTRATION FEE: \$20.00 per adult rider, \$5.00 per child rider or a family rate of \$30.00 for a Family (Dad, Mum & the Kids). All registration fees will be donated to the RACQ Rescue CareFlight Helicopter.

Purpose: To test your riding ability and bike or quad in a safe environment. To meet like minded riders who also enjoy challenging themselves and not necessarily a traditional competition.

There will be no class or categories of any sort in this event. It is a social event to raise as many much needed funds as possible for the RACQ CareFlight Rescue Helicopter.

Every entrant will receive a certificate of participation containing: A photo of them along with their bike or quad and the number of loops or sections completed. This is a great memento and will allow the entrants to come back next year and try and beat their best.

So round up your family and friends and come and join us for a great weekend of riding, fundraising and memory making! Fill out our online nomination form at www.manar.com.au

SATURDAY

4 Loop Enduro Challenge to test your stamina. Event starts at 6.30am with staggered starts for all Enduro loops.

SUNDAY

Novice Enduro Loop 1 Family Challenge. Novice Loop 1 will be split into 4 sections to accommodate younger riders who wish to participate.

2ND - 3RD JULY 2016
